Nagpur Branch of WIRC of ICAI

ACTIVITY REPORT 2015

CA. Kirti Rakesh Agrawal - Chairperson, Nagpur Branch of WIRC of ICAI

"Words are inadequate to express my gratitude towards all those who supported and encouraged me throughout the year in my pursuit to serve the profession. The perfect guidance and mentoring by CA. Manoj Fadnis, President ICAI and CA. Sunil Patodia, Chairman WIRC helped me a great deal in handling various situations. The unstinted support of Central Council Members, Regional Council Members, Board of Studies, Past Presidents, Past Chairmen, Former Managing Committee Members, Faculties, Speakers, Seniors, Fellow Colleagues, Head Office, Regional Office, NGOs, Trade Associations, Family, Friends, Press Media and Staff deserve a special mention which gave me strength and confidence to take the challenges head on".

EXECUTIVE SUMMARY

1. Theme - “Potential Unlimited”

Every person in this world has amazing potential for growth and change. Each of us individually and collectively as a member of an esteemed organisation are responsible to take the challenges head on and reveal our unlimited potential to the world.

With strong belief on aforementioned doctrine, the Nagpur Branch of WIRC of ICAI patronised the theme **“Potential Unlimited”**, during the year 2015-16. The theme of Hon'ble President of ICAI, Shri Manoj Fadnis **“Spearheading Excellence ”** and the theme of WIRC under the able leadership of WIRC Chairman Shri Sunil Patodia **“Empowering Excellence”**, further guided us in our working throughout the year and inspired us to organise various programs for the benefit of the CA fraternity.

Our logo i.e. an eagle on the globe represents the competence and ability of our members to provide quality services on a world wide basis.

2. Hosting Mega Events

Various National and Regional level mega events were successfully hosted during the year such as:-

- All Maharashtra Tax Convention
- 2 Days All Vidarbha Conclave
- 2 Days National Convention for CA Students
- State Level Women's Conference
- 2 Days Mega Conference on Professional Enrichment

3. Felicitation of ICAI & WIRC Torch Bearers, Political Leaders, Top Bureaucrats and Government Officials

Various Central, State and Local Level Dignitaries were invited and felicitated at the Branch forum. **Shri Nitin Gadkari**, Hon'ble Union Minister, **Shri Sudhakar Deshmukh**, (MLA), **Smt Sumitra Mahajan**, Hon'ble Loksabha Speaker, **Shri Chandra Shekhar Bawankule**, Hon'ble Energy Minister, **Shri Krupal Tumane**, Hon'ble MP, **Shri Ajay Sancheti**, Hon'ble MP, **Shri S.P. Tulsian**, Editor, CNBC, **Shri Manoj Kumar**, CGM, SEBI, **Shri Rakesh Sethi**, CMD, Allahabad Bank, **CA. Manoj Fadnis**, President ICAI, **CA. Sunil Patodia**, Chairman WIRC are few of the prominent names. Nagpur branch was also fortunate to get an opportunity to felicitate other torch bearers of Central Council and WIRC of ICAI. (Refer list enclosed B-6 and B-7).

4. Academic

The branch conducted various Seminars & Conferences (22), Lecture Meets & Panel Discussions (13), Certificate Courses & Training Programmes (11), Workshops (5) and Study Circle Meets (17) remodelled and redesigned as **“Mudde Ki Baat”** throughout the year concentrating on providing value added information to enrich the profession as a whole. These programs aimed at regular updation and professional embellishments.

(Refer Statistical Analysis, Page No.)

5. Capacity Building Measures

A host of programs were organised to build the professional capacity of members especially young members and women members. These included

- Intensive Study Course on Companies Act
- Various workshops on Information Technology related aspects such as Advanced Excel and Tally.
- An all **Women Members' conference was also hosted under the aegis of Women Empowerment Committee of ICAI**, highlighting the theme “Women Empowerment – Need of the Nation”, alongwith other exclusive workshops for the women members.
- Information System Audit Course, Certificate Course on Concurrent Audit of Banks, **DISA Refresher Course** & Certificate course on Forensic Audit & Fraud Detection were also hosted during the year.

6. Fellowship, Sports & Cultural Activities

Apart from regular fellowship programs such as Holi Milan, Diwali Milan, Ganesh Sthapana etc various unique fellowship programs Branch Foundation Day Celebration and Bhajan Sandhya (wherein **former managing committee members were felicitated**), Cyclothon, Walkathon etc were hosted during the year. Sports events such as swimming competition and Indoor sports events such as Badminton, Table Tennis, Chess etc were organised on the occasion of Republic Day etc were also organised. Ek Shaam CA ke Naam, a cultural extravaganza witnessing performances of members and their families was applauded by the huge quantity of audience present on the occasion.

7. Training to Students

- Branch is regularly organising training courses such as GMCS II, GMCS I, Orientation Course, 100 hrs ITT Course, Advanced ITT Course, Orientation for Campus Placement etc.
- Coaching For CA Students - Mock tests, revisionary classes and crash courses were also conducted for the benefit of the students.

8. Other Students Activities

- Nagpur Branch of WICASA was quite active during the year organising various programs for the benefit of the students such as Seminar on Companies Act, Bank Branch Audit, Finance Bill etc.
- Industrial visits and educational visits were also conducted during the period. Fellowship events like Holi Milan and pool and snooker competition were also held to improve brotherhood and cooperation among students. Nagpur Branch of ICAI has tied up with Shree Agrasen Chhatravas, Ravinagar, Nagpur managed by Shri Agrasen Bhavan, Nagpur for providing hostel facility (lodging & boarding) for CA students of Central India, during examination.

9. Reading Room / Library Facility

Facilities for reading room and library were provided at various centres in the city during the year. Its an honour for Nagpur Branch to sign up an MOU with following two institutions for providing reading room / library facilities throughout the year on honorary basis:-

- MKH Sancheti Public School, Nagpur
- Kamla Nehru Engineering College, Nagpur

10. Public Awareness and Image Building Programs

Nagpur Branch took various initiatives to strengthen the image of profession in the eyes of the society.

- Several career counselling programs were conducted at different schools and colleges to create awareness about CA as a career option. *A Special Live Career Counselling Session was also organised at All India Radio* where instant queries via phone calls were attended.
- Major programs on budget were organised jointly with prominent trade and other associations of Nagpur. Press meets were also regularly organised to inform about ICAI policies and updates.
- Members are regularly writing informative columns in newspapers.
- Regular interactive meets and panel discussions were organised with Income Tax, Service Tax, LBT and Service Tax authorities focussing on problems being faced by the members and solutions thereof.
- Branch was also fortunate to receive extensive coverage of its major events and programs in major newspapers on local and state level. The news of the National Convention for CA students hosted in the month of July, 2015 received wide publicity across Maharashtra where the convention was inaugurated at the hands of Shri Devendra Darda, MD, Lokmat Media Ltd

11. Joint Programs with Trade Associations, NGOs and Tax Departments

Various joint programs were organised with Trade and Industries Associations such as Vidarbha Industries Association, Nag Vidarbha Chambers of Commerce Limited, Nagpur Chamber of Commerce Limited and Vidarbha Tax Payers Association. Also various interactive meets with Income Tax Department, Sales Tax Department, Central Excise & Custom, Service Tax Department etc were also organised.

12. Social Projects

- Upholding the idea of “Benefit of all” and our commitment towards society, Nagpur branch enthusiastically organised various programs such as blood donation camp, eye check-up camp, full body check-up camp etc.
- *An attempt to create awareness for organ donation was undertaken via organ donation camp on CA day and we proudly state that on the occasion almost 17 members & students took pledge to donate organs.*
- Visit to orphanage, deaf and dumb school and distribution of literacy kits to under privileged students, were other major social projects.

13. GO GREEN / E- Initiatives / Swachh Bharat Abhiyan

- **Tree plantation** was also done at various places to amplify the “Go Green” concept.
- **Swachh Bharat Abhiyan** was promoted by the branch and the logo thereof was prominently displayed on the cover page of monthly news bulletin.
- A programme on Swachh Bharat Abhiyan was organized at Garoba Maidan, wherein awareness regarding cleanliness was created among masses. The event was attended by approx 8,000 people.
- “Go Green” philosophy was also advocated during the year by totally **stopping the use of plastic and plastic material** in various programs of the branch
- **E-newsletter** instead of paper copy was also promoted amongst the members.
- **Seminar material** of the National convention for CA students was given to the students in *Pen Drives*, in place of paper copies.
- **Seminar/Conference material are regularly uploaded** on the website of the branch and during the events, said material was provided in **DVDs**, instead of paper copies.

14. Infrastructure

Branch is continuously developing its existing infrastructure and ensures adequate repairs and maintenance for better utilization of its facilities. Provision for barrier free entry was made for differently abled persons to access the branch facilities.

15. Other Activities

Campus Orientation programme scheduled by ICAI was successfully hosted by the branch. Campus Interview programme was successfully conducted with new entrants being offered job with good pay package.

16. Mobile Application (Available on Playstore – ICAI Nagpur) & Website (www.nagpuricai.org)

Nagpur Branch launched its mobile app during the year. Branch also has its own interactive website. Communication through SMS, circulars, branch profile, e-mails, annual planners and member's directory are other features.

17. Monthly Newsletter (PDF enclosed in DVDs)

Monthly newsletter of Nagpur branch is another jewel in its crown featuring various informative articles and updates.

- **Indirect tax updates** and due date chart were regularly published in the newsletter.
- Two separate columns were dedicated to women members and young members and we are glad to state that every month we published illuminating articles contributed by **women members and young members**.
- Keeping in view, the increasing importance of information technology, a column dedicated to IT related articles were featured under the heading “IT Corner”.
- “**Meet the Entrepreneur**” was another new column wherein excerpts of the discussion (regarding expectations of business community from profession and future scenario) with eminent personalities of Nagpur were included. The said personalities are the leaders in their sectors such as Shri Shiv Kishanji Agrawal (Haldiram's Food Pvt Ltd), Shri Ajay Sancheti (Hon'ble MP), Shri Sunil Raisonni (Director, Raisonni Group of Institutions), Shri Sharad Chandak (DGM, IFB, SBI, Nagpur), Dr Lokendra Singh (Neurosurgeon), Shri Rajesh Agrawal (Director, Tolu Tours Pvt Ltd), Shri Gaurav Agarwala (Director, Sandeep Dwellers Pvt Ltd), Mrs Deepali Masikar (DCP, EOW, Nagpur), Dr. Preeti Bajaj (Director, G.H. Raisonni College of Engineering), Ms. Rita Aggarwal (Consulting Psychologist & HRD Trainer), Mrs Madhubala Singh (Fashion Designer) and Shri Ashok Goyal (Goyal Dhatu Udyog Pvt Ltd).
- A health related article and a monthly crossword were other regular inclusions.
- “**ICAI in News**” was yet another addition wherein newspaper clippings of major news concerning ICAI were published.
- Nagpur Branch also proudly came up with an **all women's edition of the news bulletin** wherein various articles were contributed by the enlightened women members of the branch. It was a highly applauded edition of the news bulletin.

UNIQUE PROGRAMS

Academic

- Believing in the philosophy of “Gaining knowledge through sharing knowledge”, this year Nagpur branch redesigned and renamed its study circle as “*Mudde ki Baat*”. Various issues concerning practical aspects were taken up and tackled in these meetings. Members having expertise in the particular field were invited to share their expert knowledge and experiences. Mudde Ki Baat proved to be a source of true value addition for the professionals, which will surely support our members to excel in their career.
- For the first time in the branch, *DISA Refresher Course* was organised for the benefit of the members.
- All Vidarbha Conclave on Professional Enrichment was jointly organised with all the branches and CPE chapters of Vidarbha. The event was inaugurated by Hon'ble Union Minister, Shri Nitin Gadkari, Shri Chandrashekar Bawankule (Hon'ble Guardian Minister for Energy), Shri Sudhakar Deshmukh (MLA), CA Amarjit Chopra (Past President, ICAI), CA Uttam Prakash Agrawal (Past President, ICAI) and CA Jaydep Shah (Past President, ICAI).
- 2 Days National Convention for CA Students on the theme “Unfold your Wings” was also hosted by Nagpur branch. The chief guest for the occasion was Shri Devendra Darda, Managing Director – Lokmat. Other guests were CA V. Murali, Chairman BOS, CA. Nilesh Vikamsey, Vice Chairman BOS, CA. Uttam Prakash Agrawal, Past President ICAI, CA. Subodh Kedia, Treasurer WIRC, CA. Hardik Shah, Chairman WICASA, Shri Sunil Raisonni, Director – Raisonni Group of Institutions.
- State level Women Conference on the theme “Women Empowerment – Need of the Nation” was also organised, which was graced by the deliberations of noted women speakers. The chief guests for the occasion were Smt Shilpa Agrawal (Mrs India Globe First Runner –up) and Smt Chetna Tank (Corporater, NMC).
- Two day Mega Conference on Professional Enrichment was hosted by Nagpur branch. The program was graced with the presence of forerunners of our profession i.e. CA. Manoj Fadnis (President ICAI), CA. Sunil Patodia (Chairman WIRC), CA. Sunil Talati (Past President ICAI), CA. Jaydeep Shah (Past President ICAI), CA. Ashok Chandak (Past President ICAI) and CA. M.M. Chitale (Past President ICAI).
- Interactive Meet with Board of Studies on New Scheme of Education was another unique program.
- A series of two programs on “Venturing New Paradigm to Practice Development” was also organised for the benefit of the young members.
- Apart from these programmes many more mega programs were hosted and organised by the branch during the year. Various study courses and certificate courses were also conducted during the year.
- Mobile App of the Nagpur branch “ICAI Nagpur” was launched during the year benefitting the local members. Redesigned Website of the branch was also launched during the year.

Public Awareness

- Various seminars and informative meets were organised jointly with prominent trade and industry associations at their premises wherein members of trade and industry were informed about taxation and other related issues.
- Live Screening of Union Budget and Public meet on Immediate Reaction on Union Budget 2015 was organised at branch premises as well as jointly with other trade and industry associations wherein members of the public and press reporters were also involved to create general awareness. Managing Committee and other members delivered lectures on Budget at various programs jointly with other organizations. Branch also associated with local cable operators and organized business talk on various technical subjects like MVAT, Service Tax, Income Tax, VCES and also the role of Chartered Accountants in society. Investor awareness programs and joint programs with other organizations were appreciated by all.
- A Women's Day rally was organised during the year and a pamphlet enumerating various "Special Rights of Women" was also released to mark the grand event.
- Career Counselling reaching to thousands - Live Career Counselling for CA Course was done on air at All India Radio, wherein queries via phone calls, regarding CA course were answered. Career Counselling was also provided through newspaper.

Contribution to Society

- In its attempt of contributing towards maintenance of ecological balance, for the first time Nagpur Branch totally **stopped use of plastic** and plastic materials in its various events and programs. Eco friendly and user friendly kits were used during the programs, which were highly appreciated by all the members. E-newsletter was also prominently promoted amongst the members.
- **Tree plantation** drive was undertaken at various places in Nagpur to make the orange city "greener and healthier". Swachha Bharat Abhiyaan was also popularised via monthly news bulletin and notepads of the branch. A special program on Swachha Bharat theme was also organised at Garoba Maidan, in a gathering of almost more than 8000 people .
- Distribution of literacy kits to under privileged students was yet another exclusive program of the branch to work for the upliftment of the society in general. Visit to Orphanages, Blind Relief Schools, Deaf and Dumb schools were also organised during the year.

Other Unique Programs

- Felicitation of Former Managing Committee Members was done on Branch Foundation Day in order to express our gratitude for the guidance and support provided by them in the smooth functioning of the branch.
- Teacher's Day was celebrated with great fervor and enthusiasm wherein various faculties of the courses such as OT, GMCS I, GMCS II, ITT etc were felicitated.
- Newly qualified members, DISA and DIRM qualified members were also felicitated in an exclusive program.
- World Yoga Day was celebrated at branch premises to emphasise the importance of yoga in our daily life.
- Patriotic Rally was organised on Independence Day, attended by members and students in large numbers.
- On the occasion of Chartered Accountants Day, Nagpur Branch organized Tree Plantation and numerous camps viz Blood Donation, Eye Check up, Dental Checkup, Basic Body Check up, Skin & Hair Care, Organ Donation Awareness Programs in which members & students donated blood and pledged for organ donation.

ENCLOSURES

Enclosure No. 1

28th December, 2015. Suggestions for ICAI website
For Members

- 1) Data bank of members should be created for all of their details and documents such as registration certificate, certificate of practice etc. Login and password should be provided to the respective members to access the said information.
- 2) Deliberations of various international, national and state level dignitaries should be uploaded on the website. Where audio lectures are not available, then atleast text of the same should be provided.
- 3) Vacancies for various faculties required for courses should be disclosed on the site.
- 4) There are various service providers who provide information about tenders on payment of a hefty sum. Institute should take initiative and tie up with these service providers to give this information on the website of the institute.
- 5) Sub-committee portal should be regularly updated.
- 6) Emphasis should be placed on initiatives taken for young members and women members, thereby highlighting the same on institute's website.
- 7) Video gallery needs updation.
- 8) Major activities of regional offices and branch offices across the country should be highlighted to increase the participation of members and students on pan India basis.
- 9) Site Map for members services should be displayed in one page having all links to Choose From
- 10) Photo Gallery on first page at a prominent place with Location wise Event wise Groups
- 11) Tenders Empanelment not on main site but on PDC Site. At least a link should be given on the main site.
- 12) Presentation of Links in a Flipkart sort of format
- 13) Graphics Presentation of Subjects - ICONS for Subjects or Items
- 14) List of files for download
- 15) Review of each page by Visitor – For Example, “ Whether this page was useful – Yes or No” And Comments for Improvement so that continuous review can be achieved
- 16) Availability of Status Tracking of various Critical Application for Members and Students
- 17) Site Search Engine Function is not giving desired results and should be made more relevant and sensitive.
- 18) Announcements / Updates should be sorted and displayed in subject wise grouping.
- 19) E-library should be classified clearly on the basis of free download and on chargeable basis
- 20) Various events should be classified and grouped on the basis of Subjects first and then location of the event.
- 21) Link to the Official Directory of Regional offices should be highlighted.

For Students

- 1) Data bank of students should be created incorporating all of their details and documents such as registration numbers, mark sheets, certificates etc. Login and password should be provided to the respective students to access the said information.
- 2) Information regarding vacancy for article assistants required by various CA firms, should be given on the website.
- 3) Information about library, reading rooms and accommodation facilities available for students at prominent locations should be provided on the website.
- 4) Information about inhouse courses for CPT/IPCC/Final conducted at various locations should be made available on the website.
- 5) Site Map for students services should be displayed in one page having all links to Choose From

Enclosure No. 2

27th December, 2015. Suggestions for Improving CA Journal

1. Continuity of articles should not be compromised for the sake of advertisements.
2. A consolidated data of all the articles bifurcated topic wise should be managed, so that articles related to particular topic could be searched on the click of a button.
3. Quality of pages should be improved.
4. The font size of the journal should be increased to make the reader's experience comfortable and soothing to eyes.
5. With recent opening of our economy for international corporate business houses our profession has also become global. Hence it is the need of the hour to have articles of International Expertise in our Journal so that members can have first hand information about various happening in other countries concerning our profession.
6. Chartered Accountants are known to be experts of accounts and taxation but in this dynamic changing business world we cannot remain aloof to economic policies and developments of the country. Industry wise Sector wise specific updates and data should be included in every month.

7. Our profession has become dynamic now days and members are required to advice clients on various other matters other than core areas like audit and taxation. The coverage of write ups can be broadened by including articles on various other topics like industrial policy, labour laws etc. rather than only covering academic issues.
 8. ICAI Journal is one the best medium to spread awareness amongst members about various professional opportunities. Inclusion of information about Tenders / Professional opportunities for members will also encourage members to invariably have a glance at the journal.
 9. Eminent writers from other fields can be invited so that our members can be benefited.
 10. Instead of having continuous write ups in lengthy formats, pictorial presentation of the topic will increase the readability and interest of the readers.
 11. Inclusion of Humorous cartoons can be thought of wherever possible to make the topic lighter. A knowledge base entertaining section can also be introduced to make learning with fun.
- Comments on Exposure Drafts of Revised SAs 700, 705, 706, 570 and New SA 701

Enclosure No. 3

As requested by you, we are sending our comments on Exposure Drafts of Revised SAs 700, 705, 706, 260, 570 and New SA 701.

1. The proposed SA 700 prescribes a new format for the auditor's report, wherein the first section of the report shall be the "Opinion" section. The proposal has effectively combined the Introductory Paragraph with the Auditor's Opinion Paragraph. This is a welcome change as this would put additional emphasis on the auditor's opinion and will give additional prominence to this part of the report.
2. The proposed SA 700 has also added the "Basis for Opinion" paragraph which will follow the "Opinion" para. This para will include some content which earlier used to be included under the "Auditor's Responsibility" para. Additionally the Basis for Opinion para will include a reference to the Code of Ethics of the 'Institute of Chartered Accountants of India'. This is a welcome change, as this will provide additional assurance to the readers of the report regarding the independence of the auditor.
3. The proposed SA 700, in the "Auditors Responsibility" para states that the audit provides 'reasonable assurance' and is not a guarantee but gives a high level of assurance. This para has also been shortened a bit. This para and the "Managements Responsibility" para have been proposed to be placed after the "Basis for Opinion" and "Key Audit Matters" para. Thus, the proposal very effectively changes the sequence of the report to bring important paragraphs in the report to the very top. This will significantly enhance the readability of the audit report.
4. It is also proposed to amend the "Management's Responsibility" para as per the proposed SA 570, to include that the management is responsible to assess the entity's ability to continue as a going concern. It also states that the Board of Directors are responsible for overseeing the Company's financial reporting process. This would provide the users of the financial statements an assurance regarding the going concern assumption of the entity about the financial reporting process. And would also further engage the management and those charged with governance.
5. The New SA 701 has introduced a new para, the "Key Audit Matters" para. This is one of the most significant changes in the auditor's report. This would surely enhance the communicative value of the report. This paragraph would successfully highlight the key matters in the audit. The earlier report did not contain any provision to highlight the key matters. This para would also include the reasons why the matter is a key matter and also how it was addressed. Thus it will put responsibility on the auditor to communicate to the users the important matters and address them to the satisfaction of the users of financial statements.

This proposal address the interests of the users in matters where the auditor has engaged with those charged with governance and will bring about additional transparency. The auditor will be required to explain the significant judgements made in forming an opinion on the financial statements. This will be a value addition for the users. But the proposed SA 701 restricts the scope of the Key Audit Matters para to the current period only. It would be better to extend the scope to the previous year in case of comparative financial statements.

6. As per the proposed SA 705, when the auditor expresses a Qualified or Adverse or Disclaimer of Opinion, the heading shall be amended accordingly. This would make it clear to the user that the auditor's opinion is modified.

Concluding we would like to say that the proposed SA's 700, 705, 706, 570 and the New SA 701 would be a significant value addition to the users of financial statements.

Enclosure No.4 (I) Pre Budget Memorandum

24th March, 2015

Pre- Budget Memorandum for Direct Taxes.

Union Budget 2015 presented the by Finance Minster on 27th February, 2015 in the house should have announced provisions to streamline the tax structure.

We hereby submit our Pre- Budget Memorandum as under:

- 1.) Need to educate Tax Payers – Tax Payers should be educated regarding benefits of paying taxes honestly. Change in the attitude of department is required regarding treatment of tax payers as customers or clients.
- 2.) Filing of tax Returns by NRIs having one or more property in India – Tax return filing should be made compulsory by NRIs with regard to income received or accrued or arise or deemed to accrue or arise in India with respect to fixed assets held by them.
- 3.) Single ITR Form for all taxpayers should be provided to simplify the return filing procedures.
- 4.) Procedure for surrender of PAN should be prescribed for those businesses that are closed and were previously required to compulsorily file return.
- 5.) An online grievance redressal facility could be provided on the websites to answer the queries related to TDS and E-filing of Returns.

Enclosure No.4 (II) Post Budget Memorandum

24th March, 2015.

Post Budget Memorandum for Direct Taxes.

Union Budget 2015 presented by the Finance Minister on 27th February, 2015 in the house should have announced provisions to streamline the tax structure.

We hereby submit our post Budget Memorandum as under:

2015 Budget Blues : Concerns in Service Tax, Excise & Customs Proposals which need immediate attention of CBEC

The Narendra Modi Government presented the first full-year Union Budget on February 28, 2015, Saturday in the backdrop of huge expectations of General public, Industry & Corporates. I am discussing herewith some of the key concerns on Union Budget 2015 in the field of Excise, Customs & Service Tax, which needs immediate attention/intervention by the Central Board of Excise and Customs.

1. Notification No. 12/2015-CE, dated 1.3.2015 amends Notification No. 12/2012, dated 17.3.2012. Two conditions 52 and 53 are inserted in the parent notification. These conditions relate to the exemption of excise duty for supply through ICB to Mega power projects. The problem is Notification No. 12/2012 already has a condition No. 52. Now where do you insert the second Condition No. 52?

Will the Board clarify?

2. Supplies from DTA to SEZ : Whether Rebate to Continue & What about Rule 5 Refund for Supplies to Deemed Export Projects ?

BUDGET 2015-16 has amended Rule 18 of Central Excise Rules, 2002 w.e.f. 01.03.2015 by specifically defining the term 'export' which shall include only Physical exports. This amendment appears to have raised the question as to whether the manufacturers clearing goods from Domestic Tariff Area ('DTA') to Special Economic Zone ('SEZs') will be allowed rebate of duty paid or not.

In other words, post amendment w.e.f. 01.03.2015, the issue as to whether clearance of goods by a manufacturer in DTA to the SEZs qualifies as 'export' or not for the purpose of claiming rebate has now become a subject matter of debate. Furthermore as now Exports would cover only physical exports there is a question on the applicability of Rule 5 refund in cases where the assessee is supplying goods to Domestic as well as Deemed Export projects (under ICB to mega Status projects or to 100% EOU)

2. Non-excisable goods included within the ambit of 'exempted goods' - but only for the purpose of Rule 6(1) of the Credit Rules. Further Confusion ?

Vide Notification No. 6/2015-CE(NT) dated March 1, 2015, Explanations to Rule 6(1) of the Credit Rules have been inserted to state that for the purpose of this Rule, exempted goods and final products shall include Non-excisable goods cleared for a consideration from the factory.

Though an Explanation has been added under Rule 6(1) of the Credit Rules, but the stated explanation may open up fresh issues of litigation because the definition of 'Exempted goods' under Rule 2(d) of the Credit Rules has not been amended simultaneously. Non excisable goods means the goods which are not mentioned in the Central excise tariff having NIL rate of duty or which are exempted vide an exemption Notification. On inclusion of Non Excisable goods for the purpose of rule 6 the value of the same has to be considered for reversal of common Inputs or input services by a manufacturer of dutiable or exempted products or service provider rendering taxable and exempted services.

3. Withdrawal of Education Cess and Secondary and Higher Education Cess : Whether a relief or a Burden ?

With the underlying theme of setting the stage for GST, the Union Budget, 2015 has proposed to do away with the Cess. While withdrawal of Cess on Excise duty has been made effective from March 1, 2015, as a parallel change, Cess on Service tax has also been proposed to be withdrawn from the date to be notified after enactment of the Finance Bill, 2015. It is worthwhile here to note that there is no proposal to do away with the Cess on Customs duty and hence Cess on Customs duty will continue to be levied.

The said amendment brings many unaddressed issues as rule 3(7)(b) of the Cenvat credit Rules, 2004 permit utilisation of Cenvat credit of Excise duty/ Service tax for payment of Cess but not vice versa. As No Refund scheme is announced on the Unutilized portion of Both the cess the following needs immediate attention of Board

- a) What will be the fate of balance of Cess lying unutilized in the hands of manufacturer as on March 1, 2015 and service provider (from a date to be notified)?
- b) Time lag between effective dates of withdrawal of Cess under the Service Tax and the Central Excise – Accumulation of Credit in the hands of manufacturers.
- c) Accumulation of Cess distributed by an Input Service Distributor ("ISD") to manufacturing Unit
- d) What will be the treatment of balance 50% of the Credit of Cess on the Capital goods?

4. Swachh Bharat Cess – Impact on 'Common Man'

Our Beloved Prime Minister has dreamt of Swachh Bharat, thus a new Chapter VI has been inserted in the Finance Bill, 2015 that contains a new levy of Cess called the 'Swachh Bharat Cess'. This Chapter empowers the Central Government to impose Cess on all or any of the taxable services at the rate of 2% of the value of such services, for the purpose of financing and promoting Swachh Bharat initiatives or for any other purpose relating thereto.

It is worth observing that the Government has not given any further details of the levy of SB Cess. As a matter of course, SB Cess will increase the rate on taxable services and in effect the Service tax rate will increase up to 16%, rather than 14%, as stated by the Hon'ble Finance Minister in his Budget Speech. The hike in Service tax rate will definitely raise the burden of tax on the 'Aam Aadmi'. Further numbers of questions are haunting the minds of the assessee as follows:

- a) What all services are going to be covered under the levy of SB Cess?

In the absence of clearly defined provisions, it is likely that the SB Cess may re-ignite the tussle on 'classification' of services.

- b) Whether Cenvat credit of SB Cess would be available or not because there are no amendments proposed in the Credit Rules?

c) Whether there will be restriction as regards utilisation of SB Cess as was in case of EC and SHEC?

5. Ease of Business: Service tax registration within 2 working days – Why only for single premises : Whether a Myth or a Reality ?

The Hon'ble Finance Minister in his Budget, 2015 Speech has stated that “To further facilitate the ease of doing business, online central excise and service tax registration will be done in two working days...”

Accordingly, vide Notification No. 5/2015-ST dated March 1, 2015 (effective from March 1, 2015), Rule 4 of the Service Tax Rules, 1994 has been amended to provide that the CBEC shall, by way of an Order, specify the conditions, safeguards and procedure for registration in Service tax. In this regard Order No. 1/15-ST dated February 28, 2015, effective from March 1, 2015 has been issued, prescribing documentation, time limits and procedure for registration for single premises. It has also been prescribed that henceforth registration for single premises shall be granted within 2 days of filing of application.

The speech of the Hon'ble Finance Minister gave an impression that all sorts of Service tax and Central Excise registration would be granted within 2 working days. Had that been the intention, the Order would not have dealt only with the procedure for registration specifically for single premises. This can be taken to construe that the assessee applying for Centralised registration would not be eligible for benefit of 'ease of doing business' as contemplated by the Hon'ble Finance Minister.

6. Reimbursable expenditure charged by the service provider – Whether still excludible to Service tax?

Clause 109 of the Finance Bill, 2015 has proposed to substitute Explanation (a) to Section 67 of the Finance Act providing meaning of the term 'Consideration' to, inter alia, include within its purview all reimbursable expenditure or cost incurred and charged by the service provider. The issue of taxability of out-of-pocket expenses has always been a matter of litigation. Before April 19, 2006 there was no specific provision to this effect. However, from April 19, 2006 onwards, with the introduction of the Service Tax (Determination of Value) Rules, 2006 vide Rule 5(1) thereof, Service tax is applicable on gross consideration including all expenses barring the expenses incurred as pure agent. The matter of taxability of such expenses, which is reimbursed by the service recipient, came before various Courts from time to time.

With the landmark judgment in the case of Intercontinental Consultants and Technocrats Pvt. Ltd. Vs. Union of India [2013 (29) S.T.R. 9 (Del.)] the Hon'ble High Court of Delhi declared Rule 5(1) of the Valuation Rules as ultra vires of erstwhile Section 66 and Section 67 of the Finance Act and eventually was struck down. The Intercontinental Case has laid down clearly that a Rule can never exceed or go beyond the Section which provides for the charge or collection of Service tax. At the same time, it was also laid down that Service tax is not exigible on reimbursements of expenses claimed on actual basis by service provider.

Later being aggrieved by the decision of the Hon'ble High Court of Delhi in the Intercontinental Case, the Department filed a Petition for special leave to appeal before the Hon'ble Supreme Court. The Hon'ble Supreme Court has granted leave to appeal and Petition was converted into civil appeal in the case of Union of India Vs. Intercontinental Consultants & Technocrats (P.) Ltd. [(2014) 49 taxmann.com 520 (SC)].

Now, with the proposed amendment in Section 67 of the Finance Act providing for taxability of all reimbursable expenditure despite the pendency of the matter before the Hon'ble Supreme Court, has given light to another area of doubt as to whether the Industry should wait for decision of the Hon'ble Supreme Court in the stated matter or follow the amendments to be made effective after the enactment of the Finance Bill, 2015.

7. Encroachment by Union to the taxing powers of States and issue of double taxation

The Union Budget, 2015 has brought certain amendments in the Negative List of Services given under Section 66D of the Finance Act and the Mega Exemption Notification No. 25/2015-ST dated June 26, 2012 providing certain new exemptions from Service tax and at the same time, removing certain Service tax exemptions presently available. However, the same has raised the issue of crossing the constitutional hurdles of division of legislative powers of taxation amongst the Union and States and that of double taxation. Eg : Proposed Service tax to be levied on Admission to various entertainment events, Music concerts, access to amusement parks etc which are already charged to Entertainment tax under the State laws.

8. Rationalization of penal provisions by substituting Section 78 of the Finance Act

Section 78 of the Finance Act has been amended to rationalize the provisions relating to penalties in cases involving fraud or collusion or willful misstatement or suppression of facts or contravention of any provision of the Act or Rules with the intent to evade payment of Service tax, in the following manner:

“78. (1) Where _____

Provided that where such service tax and interest is paid within a period of thirty days of -

- (i) the date of service of notice under the proviso to sub-section (1) of section 73, the penalty payable shall be fifteen per cent of such service tax;
- (ii) the date of receipt of the order of the Central Excise Officer determining the amount of service tax under sub-section (2) of section 73, the penalty payable shall be twenty-five per cent of the service tax so determined;

Provided further that the benefit of reduced penalty under the first proviso shall be available only if the amount of such reduced penalty is also paid within such period.

The said amendment would be effective only after the enactment of the Finance Bill, 2015.

Section 78 of the Finance Act as prevailing at present contains the following provisos :

“(1) Where -----
-----”

Provided also that in case of a service provider whose value of taxable services does not exceed sixty lakh rupees during any of the years covered by the notice or during the last preceding financial year, the period of

thirty days shall be extended to ninety days.

(2)

Provided further that if the penalty is payable under this section, the provisions of section 76 shall not apply.....”

On one hand, the stated amendment extends additional benefit of reduced penalty of 15% if Service tax, interest and reduced penalty is paid within 30 days of service of Show Cause Notice under Section 73(1) of the Finance Act and 25% if the Same is paid within 30 days of the receipt of Order in Original which may be considered as an appreciated move to reduce burden of penalty on assesseees.

The new substituted Section 78 of the Finance Act does not contain the stated 2 provisos which benefited the small service providers and non levy of penalty under sec 76 if penalty under sec 78 is imposed. No doubt that the amended Section 76 and Section 78 of the Finance Act has upheld the mutually exclusive nature of the penalties under Section 76 and Section 78 thereof by drafting both the Sections in such a manner. In other words, Section 76 of the Finance Act to levy penalties in cases not involving fraud or collusion or willful misstatement or suppression of facts or contravention of any provision of the Act or rules with the intent to evade payment of Service tax and Section 78 thereof to cover fraud etc. cases.

However, the issue still remains to be under litigation as in almost all the cases, the Department alleges involvement of fraud or collusion or willful misstatement or suppression of facts or contravention of any provision of the Act or rules with the intent to evade payment of Service tax. Ironically instead of providing relaxation to the assesseees from penal provisions under the Finance Act, the Union Budget, 2015 has snatched away some important relaxations from penalties specifically from the hands of small service providers. The Board is required to liberalise penal provisions at least for the small service providers and clear amendment that Penalty levied could either be under Section 76 or Section 78 of the Finance Act.

9. Omission of Section 80 of the Finance Act – Harsh amendment for Honest Tax payers

Clause 114 of the Finance Bill, 2015 has proposed to omit Section 80 of the Finance Act that provides waiver from penalty in case of reasonable cause shown. At present, Section 80 of the Finance Act reads as under: “80. (1) Notwithstanding anything contained in the provisions of section 76, or section 77, no penalty shall be imposable on the assessee for any failure referred toin the said provisions, if the assessee proves that there was reasonable cause for the said failure.

(2)

The Finance Bill, 2015 has proposed to omit the concept of 'reasonable cause' as existing presently in Section 80 of the Finance Act. On the contrary, the newly substituted Section 76 of the Finance Act uses the words “for any reason, other than reason of fraud or collusion or wilful misstatement or suppression of facts or contravention of any of the provisions of this Chapter or of the rules made thereunder with the intent to evade payment of service tax” for imposing penalty on non-levy, short levy, and default in payments thereto or erroneous refunds of duties and taxes in Service tax.

Accordingly, in terms of the newly proposed Sections 76 of the Finance Act with Section 80 thereof being omitted from the Act, even honest assesseees will have to face the brunt of imposition of penalties even when there is reasonable cause for non-payment of Service tax.

Neither the authors nor firm and its affiliates accepts any liabilities for any loss or damage of any kind arising out of any information in this document nor for any actions taken in reliance thereon.

These were some points that we thought should have form a part of Post- Budget Memorandum.

Enclosure No.5

9th March ,2015. Suggestions on the Changes to be proposed in the Chartered Accountancy Course

- In CA Final course there should be one optional subject considering the area in which the students wish to specialize.
- Some part of articelship training should be invested in compulsory Industrial Training as maximum CA pass-outs opt for jobs in various multi-national companies.
- Articelship should start after clearing either of the groups of IPCC as the new syllabus of both groups of IPCC include practical as well as theory subjects.
- Open book exams should be introduced specially for theory subjects where focus should be Analytical Skills and Knowledge & not the ability of mugging up the course.
- The role of computers in the field of CA's is to a large extent (Accounting ,tally ,CAAT ,SAP ,ERP) .The complete removal of Information Technology subjects from the syllabus of both Intermediate and final is not being considered that advisable .Without a post qualification course(DISA), the qualified Chartered Accountants will be un aware of many basic IT terminologies used in everyday functioning of a business. Suggestion: Information Technology course can be tailored and shared with other subject papers but should not be totally neglected from the syllabus.
- There are significant changes in the pattern of the course . The recent draft of amendment reflects that the time allotted for orientation, GMCS and ITT courses are combined to form new courses ICITSS and advanced ICITSS have been introduced for three weeks respectively. I personally think that the area where CA's majorly lack in the market is presentation n communication skills (basic reason why MBA students outsmart CA students). As well as the removal of the subject Information Technology on both IPCC and final level should be covered to maximum extent in ITT courses. As per the new suggested scheme the summated time for the courses will decrease which in turn should have been increased as compared to the current courses going on. Suggestion: Increasing the duration of ICITSS and advance ICITSS from three weeks to five weeks respectively.
- Results of CPT exam: It is observed that the rate of results of all levels in the CA examination declines as student moves from CPT to CA final .As students clear CPT examination in large numbers and

gradually it becomes difficult to pass the examination in further levels as the efforts so made in the foundation level is quite less as required in other levels .We believe that , the percentage of students passing should be balanced throughout. So, the toughness of the subjective examination in the foundation level should be so optimized that the students should make efforts to clear foundation examinations which in turn will be helpful to them in their future journey of Chartered Accountancy.

- In the foundation level the core subject accountancy should be subjective rather than objective and economics should be kept objective as it was before .This can help the students to get through the subject of accountancy in the same manner as required in other levels.
- The stretching up of the examination pattern will take up an additional year to qualify CA which is why it is not very recommendable.
- Organising ICITSS, before joining the articleship, may create undue pressure on branch to organize and accommodate the eligible students.

11th April 2015, Suggestions for CA Course and Training

S. No.	Issue	Suggestions
1	Direct Entry	1. None of the prestigious courses allow direct entry to their curriculum. In CA too, direct entry could be stopped which could save students from other hardships such as when direct entry students find it difficult to cope up with the level of study.
2	English at Foundation Level	1. Theoretical teaching of English cannot improve communicating skills of any person. So, introduction of English at foundation level is not recommended. Instead a related topic could be added in ICIT and Adv. ICIT level.
3	Type of questions in Foundation Level Exams	In the foundation level the core subject accountancy should be subjective rather than objective and economics should be kept objective as it was before. This can help the students to get through the subject accountancy in the same manner as required in other levels.
4	Removal of ITSM & ISA	<ul style="list-style-type: none"> ● The role of computers in the field of CA's is to a large extent (Accounting, tally, CAAT, SAP, ERP) .The complete removal of Information Technology subjects from the syllabus of both Intermediate and final is not being considered that advisable .Without a post qualification course(DISA), the qualified Chartered Accountants will be un aware of many basic IT terminologies used in everyday functioning of a business. Suggestion: Information Technology course can be tailored and shared with other subject papers but should not be totally neglected from the syllabus. ● Even if it is said that IT subjects will be covered at the AICITSS, but students won't prepare it at the same level as they prepare it for the final written examinations of respective exams. So removal of these subjects from exam is not recommended. ● SM helps students to gain knowledge about concepts like Six Sigma, TQM, Conglomerate-Concentric Diversification, Transformational-Transitional leadership, Ps of Marketing are few concepts that can make significant difference if our students are not aware of these concepts. SM also imbibes managerial skills, which CA students generally lack.
5	Addition of International Taxation	1. There is never any harm in studying one more topic and this subject might act as a catalyst in professional growth. So international taxation is a welcome step.
6	Reduction of duration of practical training and industrial training	
7	Other issues related to training	<ol style="list-style-type: none"> 1. Some part of articleship training should be invested in compulsory Industrial Training as maximum CA passouts opt for jobs in various multinational companies. 2. Articleship should start after clearing either of the groups of IPCC as the new syllabus of both groups of IPCC includes practical as well as theory subjects. <ul style="list-style-type: none"> ● The stretching up of the examination pattern will take up an additional year to qualify CA which is why it is not very recommendable. ● Dummy articleship is one of the major problems which is faced today. To avoid the same, we have following proposals: <ol style="list-style-type: none"> a. Liability should be put on CA if they allow dummy article. b. Quarterly working reports should be sent to ICAI c. Coaching classes for CA Final and IPCC 2nd Group shouldn't be between 11:00 am to 5:30 pm.
8	Additions to syllabus	1. Chapter/subject on Drafting documents (Notes to accounts, standards on auditing, qualifications, disclaimers, appeals, compliances to legal notices, report writing etc.) needs to be introduced with the proper weightage and coverage. Most of members students lack the skill even after qualifying the exams.
9	ATC course	1. ATC course is a relief for those students who find it difficult to clear CA exam but are good as accountants. This course should not be repealed atleast as long as direct entry in the curriculum is permitted.
10	Reliance on Private Coaching	1. Proper coaching and college environment should be introduced for CA students by institute itself, so as to create healthy study environment for CA students and also to further bridge the gap between ICAI and CA students.
11	Entry & exit to the course	1. The percentage of students passing should be balanced throughout. So, the toughness of the subjective examination in the foundation level should be so optimized that the students should make efforts to clear foundation examinations which in turn will be helpful to them in their future journey of Chartered Accountancy.

S. No.	Issue	Suggestions
12 13	Practical Training in Industry Compulsory class room instructions	1. Class room training is gaining importance, before a student joins an article ship, compulsory Articleship Orientation Programme can be introduced where in the importance of practical training, the basics of subjects can be taught along with the other rules and regulation, discipline one must adhere to while undergoing training can also be covered.
14	Sunday Test Paper Scheme	<p>a. Introduction to Accounting Standards b. Introduction to Auditing c. Introduction to Direct Taxes d. Introduction to Internal Audit e. Introduction to Service Tax f. E-Filing of Returns g. Introduction to VAT h. Excellence in Profession - How do I get there?</p> <p>1. Sunday test paper scheme can be reintroduced with online examination so that the students are aware of what preparation is expected from them. The present system students prepare only for last few month, this is creating an undue failure on part of training and the knowledge that is required before they qualify to write their exams.</p>
15	Other Suggestions	<p>2. Some few pre written exams should also be introduced so that it enhances the writing and drafting skill. May be short exam on only drafting skills.</p> <p>1. In CA Final Course there should be one optional subject considering the area in which the students wish to specialise.</p> <p>2. Open book exams should be introduced specially for theory subjects where focus should be Analytical Skills and Knowledge & not the ability of mugging up the course.</p> <p>3. Tablets should be introduced for students at CA Final level which will act as CA's encyclopaedia for them..</p> <p>4. Complete digitalization of registration for exams is proposed.</p> <p>5. The quality of study material needs to be enhanced. The language needs to be improvise, lengthy paragraph needs to be cut short, presentation with form of tables, references can be introduced, graphics, case studies need to be incorporated.</p> <p>6. 2 Colour study material can add to interest and readability.</p> <p>7. The compilation can be done in more numbers based on topics, The carry and readability will be improved when the material size is less and its easy to open the page .</p>
16	ICITSS & Adv ICITSS	<p>1. CAs majorly lack in presentation and communication skills (basic reason why MBA students outsmart CA students). As per the new suggested scheme the summated time for the courses will decrease which in turn should have been increased as compared to the current courses going on. Suggestion: Increasing the duration of ICITSS and advance ICITSS from three weeks to five weeks respectively.</p> <p>2. Organising ICITSS before joining article ship may create undue pressure on Branches to organise and accommodate the eligible students to complete the course and qualify the same. Instead the same be done in First year of article ship.</p>

Enclosure No. 6

7/7/2015

MEMORANDUM BEFORE CHAIRMAN OF MAHARASHTRA STATE CO-OPERATIVE FEDERATION

- Allotment of Audit of Co-operative Societies - Allotment of Audit procedure to be conducted on the lines of allotment of Bank Branch Audit by Reserve Bank of India, so as to increase transparency and avoid conflict of interest.
- Empanelment Procedure of Auditors - Empanelment of CA firms to be done with the help of ICAI as data available with MEF is already available for Bank Branch Audits with the ICAI. For gradation of CA Firms Department should rely on the affidavit submitted by Auditor at the time of empanelment.
- Increase In Audit Fees In Case of Co-operative Audit of Societies / Banks - As more risk involved due to unorganized operations and management skill into co-operative societies as compare to audit of nationalized bank and co-operative bank; audit fees should commensurate with the Risk Involve in the audit of a Co-operative Societies.
- Continue Updation / Changes Into Law & Rule of Co-operative Societies - Considering time to time updation / changes in Law & Rules of Co-operative Societies, circulars as issued by the Registrar of Firms should be made available to Auditors by publishing them on Web Domain or by Circulating through mail.
- Responsibility of Filing FIR - The responsibility of filling FIR should be shifted to competent authority to whom Reports are being submitted by the Auditors, so that after the scrutiny of them necessary action of filing FIR may be taken by the Department or Competent Authority.

Enclosure No. 7

24th March, 2015

Request for rescheduling of paper of BCOM - part- II

We are happy to inform you that the Institute of Chartered Accountants of India is a statutory body established under the Act of Parliament viz., The Chartered Accountants Act, 1949 in the year 1949 for regulating the profession of Chartered Accountancy in the country.

Nagpur branch of our Institute is one of the most vibrant branches amongst 147 branches. The branch has been adjudged as the Best Branch of the country and Western Region on several occasions.

ICAI conducts examination for CA-CPT, CA-IPCC & CA-FINAL every year twice (in May & Nov.) on all India bases. Dates of the same are announced 3 month in advance so that students can very well accommodate with their other examinations.

This time we would like bring into your kind notice that university exam papers of B.COM Part-II is clashing with CA- IPCC exam. Where in same dates and same timings are to be faced by CA students appearing in both the exams. This will result in skipping any one of the examination by the students which is not good.

Nagpur Branch of ICAI sincerely requests you to kindly reschedule aforementioned examinations to enable students to appear in both the exams. Detailed schedule of CA IPCC exam is enclosed herewith for your kind reference .

Enclosure No. 8 (I)

13th April, 2015

Reg. : Request for allowing one room for CA Students to use as reading room for the period till 20th May, 2015, at any of your esteemed institutions :

A) V.M.V. Commerce, J.M.T. Arts and J.J.P. Science College, Wardhaman Nagar, Nagpur. B) Shri U.N.H.S. School, Queta Colony, Nagpur

I, the undersigned, on behalf of the The Institute of Chartered Accountants' of India's Nagpur Branch, take this opportunity to bring to your kind notice that, Chartered Accountancy Students from all over Nagpur strive hard to get through the examination.

Further, many of our CA Members have done graduation from your esteemed college. To excel in examination of ICAI, good reading and studying atmosphere is prerequisite. In Eastern Nagpur, yours esteemed Institutes are renowned and are centrally placed.

It is past experience, that in many cases students could not perform well at examinations because of non-availability of conducive atmosphere to prepare well for the exams. This is therefore to request you to please arrange for one room at any of your abovesaid premises viz. at school or college premises, for the noble task of joining hands with ICAI, to help needy students.

The following are the details in brief :

- Facility requested is for the period till 20th May, 2015 only. ● Daily Room Facility supposed to be used will be between 8 am to 8 pm.
- The students wishing to use the facility will be given necessary Identity Cards, issued by us.
- Rules as may be prescribed from your side are ensured to be strictly followed by the students concerned.

Enclosure No. 8 (II)

4th August, 2015

Enclosure No. 11

NAGPUR BRANCH OF WESTERN INDIA REGIONAL COUNCIL OF THE INSTITUTE OF CHARTERED ACCOUNTANTS OF INDIA
(Set up by an Act of Parliament)

17th April, 2015

To
Shri Pravin Malhe
Hon. Mayor
Nagpur Municipal Corporation
Nagpur.

Subj: Availability of reading room in Municipal Corporation Schools.

Respected Sir,

We are happy to believe you that the Institute of Chartered Accountants of India is a statutory body established under the Act of Parliament viz. The Chartered Accountants Act, 1949 in the year 1949 in regulating the profession of Chartered Accountancy in the country.

Nagpur Branch of our Institute is one of the most vibrant branch amongst our branches. The branch has been adopted as the host branch of the country and Western Region at several occasions.

With the ever shrinking space in Nagpur cities, students are finding it difficult to concentrate on their studies in general and those pursuing professional courses like Chartered Accountancy in particular. To provide conducive reading atmosphere to students registered for the CA Course Nagpur Branch, Nagpur Division has discussed and approved that if permitted by the Nagpur Municipal Corporation reading rooms shall be opened for CA students at the premises of the Corporation Schools, Nagpur.

In this regard we request you to kindly provide us reading room specially for CA students at existing school, so that they can study with full concentration and efficiency for their appearing and future examinations. We would be obliged to your good office for making this arrangement throughout the year, if permitted we are ready to take charge of the existing infrastructure on lease, so that suitable arrangements can be done with minimum required facilities.

Nagpur Branch shall feel proud to be associated with Nagpur Municipal Corporation. The branch shall maintain the reading room and shall provide person-in-charge in due consultation with your good office and shall bear expenses related to running & maintenance of the reading room.

Awaiting for your positive reply.

Thanking you,
Yours faithfully,

'Indian Accounting Standards will be converged with IFRS'

Business Bureau

"ICAI has played a very important role in taking the Indian Financial Reporting System (IFRS) to newer heights and achieving international benchmarks by taking necessary initiatives from time to time," said Manoj Fadnis, Chairman of ICAI on Wednesday, while addressing a press conference.

Sandeep Jaisani, Kirti Agrawal, Manoj Fadnis, Sanil Patadia and Swapnil Ghata at the press meet.

Fadnis was in the city to address the two-day conference organised by the ICAI Nagpur Chapter. Also present were Sanil Patadia, Chairman of the WIRC, Kirti Agrawal, Sandeep Jaisani and Swapnil Ghata. Fadnis addressed that continuing with this endeavor, convergence with the IFRS had been decided. The ICAI had formulated the IFRS-converged Indian Accounting Standards

(IndAS) corresponding to IFRS, which was considered relevant as on April 1, 2011. The same had been notified by the Ministry of Corporate Affairs (MCA) in 2011 after recommendation of the National Advisory Committee on Accounting Standards (NACAS) but the same could not be implemented because of various issues. "The new CA course will be based on analytical skill and open

book examinations. Students will be allowed to take books in the examinations. We will be abolishing the unnecessary stress," Fadnis added. He also appreciated the Nagpur Chapter of the ICAI and its vibrant team which is doing well on Pan-India level. Sanil Patadia also briefed about the various activities of the WIRC, which was the biggest regional council in the country.

ICAI to launch new CA course from mid-2016, says Fadnis

LOKMAT NEWS SERVICE

The Institute of Chartered Accountants of India (ICAI) envisage its Chartered Accountants course every 10 to 12 years to absorb changes in the law and also new global trends in accounting and auditing fields. It is now in the process of launching new revamped course in mid-2016, revealed the president of ICAI, Manoj Fadnis here on Wednesday.

President of ICAI Manoj Fadnis addressing the media in city on Wednesday. Also seen are (From L) Sanil Patadia, Kirti Agrawal, Sandeep Jaisani and Swapnil Ghata.

Fadnis also stressed that central government has made compulsory for companies to audit under the ICAI's Indian Accounting Standards from April 1, 2015. ICAI has decided to restructure the course to make it more relevant to the current scenario. He also revealed that every year nearly 2.5 lakh students appear for ICAI CA examinations. Of these, 100,000 to 1,20,000 clear the examinations. He also

Entrepreneurs play a major role in India's growth story

Entrepreneurs play a major role in India's growth story. They are the backbone of the economy and the engine of growth. They create jobs, drive innovation, and contribute to the overall development of the country. The government should support entrepreneurs and provide them with the necessary infrastructure and resources to help them succeed.

राष्ट्रनिर्माण में 'सीए' का सहभाग महत्वपूर्ण - ना. गडकरी

ना. गडकरी ने कहा कि 'सीए' का सहभाग राष्ट्रनिर्माण में महत्वपूर्ण है। वे न केवल वित्तीय मामलों में सहायता देते हैं, बल्कि व्यवसायों को बढ़ावा देने और नए उद्योगों को शुरू करने में भी मदद करते हैं। वे कर कानून को समझाते हैं और व्यवसायों को उनसे बचाने में मदद करते हैं। वे व्यवसायों को आगे बढ़ाने में मदद करते हैं और उन्हें नए अवसरों को पहचानने में मदद करते हैं। वे व्यवसायों को आगे बढ़ाने में मदद करते हैं और उन्हें नए अवसरों को पहचानने में मदद करते हैं।

Section 234(E) is in the interest of deductee: Satish Goyal

Satish Goyal has stated that Section 234(E) is in the interest of the deductee. He explained that this section is designed to ensure that the deductee receives the correct amount of tax credit. He emphasized that the deductee should be able to claim the credit for the full amount of tax paid by the deductor. He also mentioned that the deductee should be able to claim the credit for the full amount of tax paid by the deductor.

ICAI chief Fadnis to attend meet on professional enrichment today

ICAI chief Fadnis is attending a meeting on professional enrichment today. The meeting is being held in Nagpur and is aimed at providing members with the latest information on professional development. Fadnis will be addressing the members on the importance of continuous learning and the role of the Institute in providing them with the necessary resources and support.

राष्ट्र निर्माण में CA का अहम रोल ICAI का 'आल विदर्भ कॉन्क्लेव'

The role of Chartered Accountants (CAs) in nation building is crucial. They provide professional services that help businesses and individuals manage their finances effectively. CAs also play a key role in ensuring the integrity of the financial system and the accuracy of financial reporting. They are essential for the growth and development of the economy.

Significant tax collection of region is matter

The significant tax collection of the region is a matter of concern. It is important for the government to ensure that the tax system is fair and efficient. The government should take steps to improve the tax collection process and ensure that all taxpayers are treated equally. This will help to increase the revenue of the government and support the development of the country.

CA's play important role in nation building: Gadkari

उद्योगपतियों और व्यापारियों का मार्गदर्शन करें सीए : गडकरी

गडकरी ने कहा कि 'सीए' उद्योगपतियों और व्यापारियों का मार्गदर्शन करें। वे उद्योगों को बढ़ावा देने और नए उद्योगों को शुरू करने में मदद करते हैं। वे उद्योगों को आगे बढ़ाने में मदद करते हैं और उन्हें नए अवसरों को पहचानने में मदद करते हैं। वे उद्योगों को आगे बढ़ाने में मदद करते हैं और उन्हें नए अवसरों को पहचानने में मदद करते हैं।

नए रास्ते तलाशने का समय है यह

It is time to explore new paths. The current economic environment is challenging, and businesses need to find innovative ways to grow and succeed. CAs can help businesses identify new opportunities and develop strategies to take advantage of them. They can also provide guidance on how to manage risk and ensure the long-term success of the business.

एसटीमुळे करप्रणालीचे सरलीकरण व राजस्व

STI (Simplified Taxation Initiative) is a key component of the government's strategy to simplify the tax system and increase revenue. It aims to reduce the complexity of the tax system and make it easier for taxpayers to understand and comply with. This will help to increase the revenue of the government and support the development of the country.

Every challenge is opportunity: Ranjan Sharma

Ranjan Sharma has stated that every challenge is an opportunity. He emphasized that businesses should embrace change and innovation to succeed in a competitive market. He also mentioned that the government should support businesses and provide them with the necessary resources and support to help them overcome their challenges.

सीए का महत्वपूर्ण योगदान

The Chartered Accountant (CA) plays a vital role in the Indian economy. They provide professional services that help businesses and individuals manage their finances effectively. CAs also play a key role in ensuring the integrity of the financial system and the accuracy of financial reporting. They are essential for the growth and development of the economy.

Announcement

ICAI WIRC NAGPUR
Guidance Note on Accounting for Expenditure on Corporate Social Responsibility Activities Issued May 15, 2015.
Brief Decisions of the Council/Committee at 34216 Council Meeting - (15-05-2015)
Important Announcements - Presentation of Chartered Accountants Examinations Scheduled to be held from 23rd May - 08 June 2015 at Kalyandurg (Nagpur) - (15-05-2015)

Happy Birthday To

Many many happy returns of the day. May God Bless You with health, wealth, peace and prosperity in your life.

Chairman's Message

Dear Professional Colleagues,
We humans are social beings. We come into the world as the result of others' actions. We survive here in dependence on others. Whether we like it or not, there is hardly a moment of our lives when we do not benefit from others' activities. For this reason it is hardly surprising that most of our happiness arises in the context of our relationships with others. We cannot live only for ourselves. A thousand fibers connect us with our fellow men and among those fibers, as sympathetic threads, our actions run as causes, and they come back to us as effects.
